

ANNOUNCEMENT FOR PARTNERS SELECTION

University of Bucharest organizes the selection of a partner (research organization or small, medium or large enterprise from Romania, Norway, Iceland, Liechtenstein) with mandatory expertise in the development of curriculum tools and curricular adaptations for children with learning disabilities for the project **Build Enhancing Skills for School Success of Every Child (BEST for Every Child)** whose funding proposal will be submitted for the **EEA Grants CALL FOR PROPOSALS 2018 – Collaborative Research Projects**. It is also important for the team proposed to have the expertise in the field of teacher training, project management and participation in international research projects (will bring additional score to the candidate).

The selection will be carried out as a result of the submission of a letter of interest accompanied by the CVs of the members proposed for participation in the project team no later than September 30, 2018 at 16.00, at ruxandrafolostina@gmail.com. For Romanian candidates is mandatory the Declaration on the eligibility of the enterprise (<https://uefiscdi.ro/eea-grants-proiecte-colaborative-de-certare>).

The selection results will be communicated to the candidates by September 30, 20:00.
